

Vacation Bible School Returns!

Vacation Bible School is an institution. Some of my earliest memories of church include VBS. It was there that I first learned about God's love and care. It was there that I first memorized scripture. It was there that I learned that the Church loves children!

Last year was a hard year for many reasons, but among them is certainly the fact that we weren't able to have Vacation Bible School. Is it even summer without VBS? That's like Thanksgiving without turkey! I am so excited that in just a short week, VBS will be back!

I hope that you are excited, too! Next week we are going to be able to share all those wonderful things that VBS brings with children in our church and in our community. Most of all, these children will know that God loves them, and we do, too! Make sure that the children in your life are signed up for Vacation Bible School. Let's plant the seeds of the gospel in these young people so that as they grow they will know the love of Jesus in their lives.
