Three Years: A Reflection

This week marks three years since I first came to Sand Springs UMC. I think when I first arrived on that Sunday in late June, none of us could have anticipated what the next three years would look like. It would only be a short 8 months before a global pandemic required us to rethink how we worship and how to be a church in a changing world.

We've gone through ups and downs over the last three years, but I am so thankful we have been able to go through them together. I am constantly in awe of your faithfulness and servant's hearts. I've learned so much in our time together, and I hope that you've learned a thing or two from me!

I want you to know that every time I get together with other clergy, I brag about how wonderful my congregation is. Maybe that is unfair to the other clergy? I guess I just can't help it! I've been so blessed to be able to serve you.

Thank you for a great three years, and I look forward to our next chapter together. Let's continue to build God's Kingdom in Sand Springs!

Pray for Grady & Kent & our youth as they join Broken Arrow youth and travel to Princeton, Illinois for their Summer Youth Mission Trip. They will leave this Saturday, June 25 and return on July 2.

Kidzone News

We hope you had a great day celebrating your dads, grandpas and father figures in your life. What fun we had making your gift and card for them. We talked about Solomon and God asking him what he wanted. Solomon asked for wisdom to rule his people in the right way and to know the difference between right and wrong. God's wisdom can help everyone. We shared about the wisdom of our dad and mom and that we should remember what they teach us.

Have a wonderful week- try to stay cool!!

Don't Forget the Sunscreen

Ultraviolet (UV) exposure is the main cause of skin cancer. You can significantly lower your risk with sunscreen.

Pro Tip: Spray-on-Sunscreen is ineffective on wet skin. Spray on dry skin and dry off when reapplying.
